EcoSafe® Slimline

Smart Bunded Oil Tanks

Specification Sheet

TITAN EcoSafe® Slimline

Introducing the Ecosafe® Slimline

The Kingspan Titan EcoSafe range of slimline bunded oil tanks have been specifically designed and built to provide responsibly safe and secure heating oil storage whilst offering the perfect solution to premises with limited space and access restrictions.

These models have a smaller footprint than standard oil tanks making it much easier to manoeuvre and fit into tight spaces.

Available in 650, 1100, 1400 & 2000 litres.

Characteristics

This range offers the same trustworthy characteristics as the EcoSafe family including:

Quality - Quality product design, specification and service; ensuring absolute peace of mind

Service - Excellent customer service is our priority including full technical and after sales support, a trustworthy guarantee and fast delivery times

Approved - All tanks are CE marked*

kingspan.ie/oil

* The CE mark applies to the primary storage tank.

** 10 year warranty applies to tank only.

TITAN

EcoSafe® Slimline

Features

- SpillStop overfill device
- Double skin construction
- 1" BSP female bottom outlet
- Top outlet available
- Handgrips moulded in for ease of handling
- Lockable lid
- Tank tested to EN13341
- Made in a ISO9001, 14001 & 18001 factory
- Specially designed channel to accommodate top outlet pipe
- The Kingspan 2-Part Valve with a 40-micron filter
- The Watchman Sonic Advanced and SENSiT USB Receiver tank monitors

Benefits

- Enhances your overall heating system
- The double skin construction ensures environmental protection and safeguards against leaks and ground contamination
- Increased security due to lockable lid protecting your fuel
- The Watchman Sonic Advanced provides local monitoring, while the Watchman SENSiT USB Receiver enables remote monitoring to help prevent oil run-out

Tank Specifications

ESSL650	Tank
Length	1300 mm
Width	630 mm
Height	1350 mm
Capacity*	650L/143gal

Base Size 1900 x 1230 mm Footprint 0.819m²

ESSL1100	Tank
Length	1920 mm
Width	600 mm
Height	1580 mm
Capacity*	1100L/242gal

Base Size 2520 x 1200 mm Footprint 1.152m²

ESSL1400	Tank
Length	2200 mm
Width	650 mm
Height	1680 mm
Capacity*	1400L/308gal

Base Size 2800 x 1250 mm Footprint 1.43m²

ESSL2000	Tank
Length	2500 mm
Width	800 mm
Height	1700 mm
Capacity*	2000L/440gal

Base Size 3100 x 1400 mm Footprint 2m²

The Smart Watchman Tank Pack

All EcoSafe tanks now come complete with The Smart Watchman Tank Pack, which includes a Watchman Sonic Advanced Tank Monitor (Transmitter & Receiver), Watchman SENSiT USB Receiver, PTFE tape, and the Kingspan 2-Part Valve.

With the Watchman SENSiT USB Receiver, you can receive low-level alerts, sudden drop alerts, predicted run-out notifications, and monitor consumption directly from your phone. This allows you complete control over your oil levels without being tied to a single location.

The new Kingspan 2-Part Valve features a safe isolation shut-off valve and a 40-micron particle filter. It offers instant isolation, debris removal, and pollution-free operation, saving hours of labour by eliminating the need to drain the tank for filter replacement.

Suitable for: Grade A2 Gas Oil (BS2869), Grade D Gas Oil (BS2869), Grade C1/C2 Kerosene (BS2869), Diesel fuel (EN590), Paraffinic diesel fuel (EN15940), Biofuel/HVO (EN15940).
