

The New Harlequin Smart Gauge

Radar Accurate. App Connected.

Instantly view tank level updates using your smartphone.

A Smarter Way To Manage Your Tank...

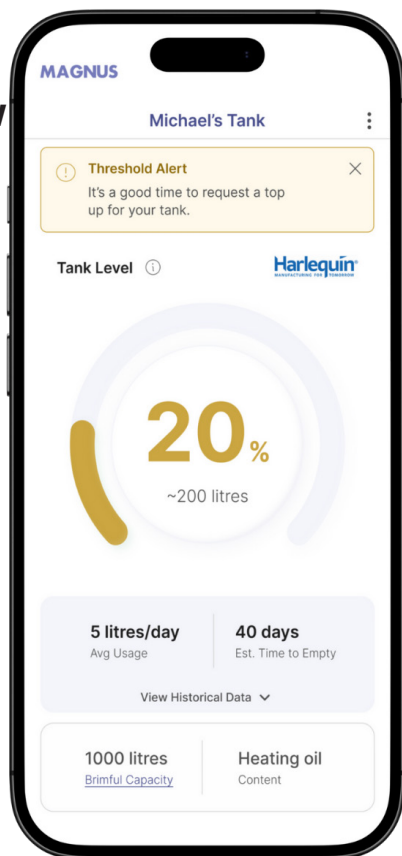

Key Features:

App-connected monitoring - View levels instantly on your smart-phone.

Radar-accurate readings – Track litres remaining, average use & days to empty.

Simple installation - Pre-fitted on all new tanks, retrofit available.

Peace of mind – Plan top-ups, avoid unexpected run-outs.
