

DEF STORAGE TANKS – TRANSPORTABLE

BLUE PRO

155 – 435 Litres

Supply DEF to your machinery onsite with the transportable Blue Pro range of DEF storage. Blue Pro storage tanks are made from weather-resistant polyethylene material and feature a secure cabinet to ensure the purity of your DEF.

With capacities ranging from 135 to 435 litres, Blue Pro storage tanks are designed for transportable use and include the necessary features and specifications to increase the efficiency of your DEF handling.

WEATHERPROOF LID

All equipment and ports are protected under the weatherproof lid and are safe from the elements.

FEATURES

STACKABLE

Reduces storage space requirements with the ability to stack units up to 4 high when empty.

DURABLE

Heavy-duty polyethylene tank provides reliable and safe storage and transport of DEF.

FORKLIFT POCKETS

Quick and easy manoeuvring.

MOULDED GRAB HANDLES

its light weight design and grab handles enable easy handling when empty.

IDEAL USES & APPLICATIONS

DEF SUPPLY

Reduce time spent dispensing diesel exhaust fluid with transportable DEF storage that can fit in most pickup trucks.

DEF TRANSPORT

Tank is designed around mobility and is easily able to transport from one location to the next.
